

SATOL S3

Glass Cleaner Concentrate

Effective, high-quality, safe cleaning products for professional, Janitorial and Institutional use

Satol S3 is a concentrated glass cleaner liquid designed for use on various surfaces, including glass windows, mirrors, windshields, showcases, glass displays, and other see-through surfaces. This concentrated product is a perfect blend of anionic surfactants and isopropyl alcohol, resulting in an excellent shine.

- Recommended for daily and periodic cleaning applications of glass surfaces.
- Cleans to sparkle and streak free in one action. Doesn't leave marks post application.
- Rapidly removes oily soils and finger marks.
- Dilute and spray, wipe on action.
- Pleasant, fresh fragrance

BENEFITS:

- Extends Life of Windows
- Improve your curb appeal
- Clean windows prevents glass degradation
- Prolong the life of your glass panes and window frames
- Creates generally happier and healthier home
