Grill Cleaner

GRILL CLEANER is a heavy duty alkaline liquid cleaner developed for removal of accumulated baked-on carbon deposits, fats, oils, greases from the grill surface. This specialized grill cleaner can be used without cooling the grill. It can be used at 5% dilution or as Ready to Use.

- Heavy duty grill cleaner recommended for daily cleaning applications in food service areas.
- Cost effective cleaning operation.
- Effective removal of accumulated baked-on carbon and grease.
- Fully compatible with commonly found material stainless steel in kitchen.

USAGE INSTRUCTION

- Scrape the grill surface to remove the soiling, after turning it off.
- Turn the grill on and adjust the temperature to 65-80C.
- Spread the GRILL CLEANER liquid on the grill surface (5% dilution or Ready to Use concentration) and let it there for few minutes.
- Then gently scrub / wipe the entire surface with pad until all grill surface is clean.
- Rinse the surface thoroughly with water and wipe it to have dry surface.

FORMULATION

Sodium Hydroxide	27-30%
Alkyl Glucoside	2-2.5%
Triethanolamine	4-5%

BENEFITS:

- Reduce risky grease fires
- Remove harmful carcinogens
- Your food will taste better
- Keeping your grill cleaner prevents future corrosion, extending the life of your grill
- A clean grill keeps away pests and their drop pings.
- No longer has that smoky, rancid grease smell
